

## **PUBLIC/PRIVATE REST STOP MINIMUM REQUIREMENTS**

- A. **LOCATION.** The facility shall be located such that it has access to a public roadway and is less than one half-mile driving distance from an Interchange.
- B. **PARKING** A minimum of 50 spaces (total) will be provided at all public/private rest stop facilities, with the ratio of truck/RV to auto parking spaces to be determined by auto/truck percentage ratio for the highway segment in question... The above total includes already existing parking spaces at the facility in question. Additional spaces may be required based on annual average daily traffic (AADT) as determined by UDOT.
- C. **HOURS OF OPERATION.** The facility is to be open twenty-four hours every day of the year with a minimum of one employee present at all times.
- D. **SIGNS OF PROPERTY.** A sign shall be provided at or near each entrance to the building noting that the restrooms are for the use of the public free of charge.
- E. **ADA COMPLIANCE.** Access to and use of the restroom facilities shall meet all requirements of the Americans with Disabilities Act.
- F. **TOILET FACILITIES.** Along I-15, a minimum of 10 toilets (total); 5 for men and 5 for women will be provided at each public/private rest stop. On all other interstate highways within the state of Utah the total number of toilets at each public/private rest stop will be 8; 4 for men and 4 for women. Men's toilet facilities will consist of 3 stalls and 2 urinals (on I-15), and 2 stalls and 2 urinals on the other interstates. All women's facilities will be stalls.
- G. **REST ROOM VENDING MACHINES** Families with young children are expected to use these facilities therefore offensive, sexually oriented vending machines or signs will not be allowed in the restrooms.
- H. **PEDESTRIAN TRAFFIC.** The facility shall provide and maintain well lighted and marked pedestrian access between parking areas and business facilities.
- I. **TELEPHONES.** Two public telephones at a minimum are to be available at all times for the use of the traveling public.
- J. **DRIVEWAYS.** Placing driveways at locations agreed to by owner and UDOT Traffic Engineer shall control access to the site from the highway.
- K. **DRINKING FOUNTAINS.** A minimum of one drinking fountain shall be available for those using the facility as a rest stop. It should be in a well-lit area with signing provided, if it is not in an obvious location.
